PDF of This Workout Plan	At the Bottom
Rest Between sets	1-2 minutes
Alternate Plan	30-Day Muscle Building Plan

[Full Body workout split](#) will help you boost strength, so when you work out on a specific muscle, you can lift heavy loads.

[Upper/lower split](#) and [PPL](#) will allow you to target a few muscles specifically and help you beef up mass.

And the Bro-split allows you to strengthen and build a specific muscle in a single workout session.

Week 8 – Upper and Lower Mix

Do the same exercises as you have done during the seventh week of the fitness transformation workout program.

However, you can include or exclude some exercises if you like. You can also train your quads with the chest or core with the back. It's up to you; there are no disadvantages.

Week 9 – Bro Split Workout Program for Body Transformation

In the 12-week body transformation workout plan, I've incorporated the Bro-split program. The bro-split allows you to build up one muscle in one day. For instance, chest on Monday, legs on Tuesday, back on Wednesday, and so on.

So let's see how you can do that.

- **Monday:** Chest
- **Tuesday:** Legs
- **Wednesday:** Back
- **Thursday:** Shoulder
